**4. CHAIRMANS ANNUAL REPORT**

The chairman highlighted the work of the Parish Council during the previous year.

The SIDS machines have been out of use for most of the year but, hopefully they should be back in the villages in the next few weeks.

The Parish Plan has been the main thrust of the year. The questionnaires have now gone out and the PC hopes for a good response from the villagers. Hopefully the actual Plan will be put together and published this year.

The Highways Steward is doing a good job in the Parish. Mr Pearson liaises with him keeping him up to date with jobs that require his attention. The Chairman thanked both for their work.

The problem with HGVs parking at Goose Green crossroads is still unresolved but the PC are hopeful that Allerdale will put some type of waiting restriction on the area that might improve things.

Sebergham bridge has been repaired again and it is free of traffic lights. The County council are planning to look at some traffic calming measures on the approaches to the bridge in the near future.

The excessive lighting at Steadmans at Warnell is an ongoing concern although the lights do not appear to be as bright as they were.

**5. ANY RELEVANT BUSINESS**

The meeting did not commence until 8pm due to an earlier meeting re Parkhead Quarry. The meeting was formally closed at 8.10
